

Pray for Waterloo: Neighborhood Initiative

Southwest Quadrant

ONE// Choose one of the four maps below and walk around that area praying.

- Pray for God's favor as you pass by homes.
- Pray for invitational conversations with people you meet.
- Pray for new believers on those blocks.

TWO// Choose one of our neighborhood door-hanger packets available and say "hello" by **March 27th!**

- Simply go walk in your designated area and spread the word by hanging materials door-to-door.
- Start conversations that let people know that we are new to the neighborhood.
- **DO NOT** put materials in their mailbox, apparently you can go to jail for that!
